Walkers Nonsuch

Walker's Nonsuch is an independent family company specialising in making quality toffee. The company dates back to 1894, founder Edward Joseph Walker's aim was 'to make quality toffee at affordable prices' and this still stands today.

Using the finest ingredients, the range includes toffee bars, traditional slabs and 14 varieties of twist wrapped toffees and chocolate eclairs, packaged in different formats to suit all markets. All Walker's Nonsuch Toffee is free from artificial flavours, hydrogenated vegetable oils, preservatives and its gluten free too!

Currently exporting to around 45 countries, the toffee is enjoyed worldwide. For more information see
