

I'm starting my journey from school/college
What can I do at college, university or at work?

How to build a career in Scotland's food and drink industry.

There are many qualifications that provide access to careers and support progression opportunities in the food and drink industry.

Starting from qualifications that you can gain at school through to National Progression Awards, HNC/D, degrees and masters qualifications as well as a range of apprenticeship opportunities and on the job training, there is something to suit everyone at every stage in their career.

The route map below outlines the range and level of qualifications available and further information can also be found at:

Apprenticeships
